

# Lay Down

Amanda Jensen

Lay down  
Lay down  
Lay down, sweet child  
Lay down and wish for light

Lay down  
Lay down  
Lay down, sweet child  
Lay down in lullabies

Tie the present to the past  
Let tomorrows longing last  
Growing younger day by day  
Flowing wonder hear us pray

Lay down  
Lay down  
Lay down, sweet child  
Lay down and wish for light

Lay down  
Lay down  
Lay down, sweet child  
Lay down in lullabies

No decisions to be made  
All your stories shall be saved  
Silent hunger in your chest  
Slowly slumber into rest

Lay down  
Lay down  
Lay down, sweet child  
Lay down and wish for light

Lay down  
Lay down  
Lay down, sweet child  
Lay down in lullabies
