

Dreamer (South Pacific)

Amanda Lear

You
You and me
Along the sea
Your dream comes true
When you feel blue
You
Feeling so calm
Under the palms
The golden sand
Lie in the Sun
You
The coral shells
A magic spell
Under the sky
Of Bali Hai
You
Swaying palm trees
And china seas
In the moonlight
Exotic nights
You
Dream of shooting stars
Nothing is real when you get there
Stay where you are
You
Dream of passion nights
A South Pacific paradise
Or Hawaii
You
The ocean waves
Fabulous slaves
Under the moon
Of blue lagoon
You talk in your sleep
Dream in the street
Even your friend
Can't understand
You
Dream of topic skies
Of blue seas and of sunsets
Of slanted eves
You
Dream of blue lagoons
But I think
They'll take you away
Very soon, very soon.
