

# Heartbreak Hotel

Amanda Lear

It's called Heartbreak Hotel,  
That's a good name for a place to go when your sweetheart has left you  
A place to cry and feel so lonely that you could die  
It's down at the end of the Lonely Street and that's where I go when I feel  
down and lonely...

Well, since my baby left me  
I found a new place to dwell  
It's down at the end of the Lonely Street  
It's called Heartbreak Hotel

You make me so lonely, baby  
Oh, I get so lonely  
I get so lonely I could die

Although it's always crowded  
You still can find some room  
Where brokenhearted lovers  
Do cry away their gloom

You make me so lonely, baby  
Oh, I get so lonely  
I get so lonely I could die

Now, the bellhop's tears keep flowin'  
And the desk clerk's dressed in black  
Well, they been so long on Lonely Street  
They never ever look back

You make me lonely, baby  
Oh, I get so lonely  
I get so lonely I could die

Well, if your baby leaves you  
And you got a tale to tell  
Just take a walk down Lonely Street  
To Heartbreak Hotel

You make me lonely, baby  
Oh, I get so lonely  
I get so lonely I could die

It's called Heartbreak Hotel,  
That's a good name  
It's down at the end of the Lonely Street and that's where I go when I feel  
down

Although it's always crowded  
You still can find some room  
Where brokenhearted lovers  
Do cry away their gloom

You make me lonely, baby  
I get so lonely  
I get so lonely I could die.
