

Money Money

Amanda Lear

Give me more money
Money Money Tic-Tac
Money Money Clic-Clac
Money (X6)... To the night
Money Money Tic-Tac
Money Money Clic-Clac
Money (X6)... To the right
There is someone behind
Someone behind my mind
Who whispers as a cloud
Allow me a favour, confess me your pleasure
Money Money Tic-Tac
Money Money Clic-Clac
Money (X6)... To the night
Money Money Tic-Tac
Money Money Clic-Clac
Money (X6)... To the right
Give me more money
I feel someone behind
Someone behind my mind
And when I run,
He catches me !
Money Money Tic-Tac
Money Money Clic-Clac
Money (X6)... To the night
Money Money Tic-Tac
Money Money Clic-Clac
Money (X6)... To the right
I feel someone behind
A stranger in the night
Who whispers as a cloud
Allow me a favour, confess me the matter
Money Money Tic-Tac
Money Money Clic-Clac
Money (X6)... To the night
Money Money Tic-Tac
Money Money Clic-Clac
Money (X6)... To the right
