

Super Hero

Amanda Lear

Super hero came, SOS, SOS !
A Super hero came, SOS, SOS !
A Super hero saved, SOS, SOS !
A Super hero saved, SOS, SOS !
Super hero came
Super hero came
A super hero saved
A super hero saved
And you are safe and sound, you are, you are...
Safe and sound, you can, you can...
Can be proud, be proud of him, you can be proud
And you are safe and sound...
Super hero came
Driving on the left
Spotlights on his face
Always wants to protect
And you are safe and sound, you are, you are...
Safe and sound, you can, you can...
Can be proud, be proud of him, you can be proud...
And you are safe and sound...
When the DJ say SOS, SOS !
Super hero came
Super hero danced
So get away
You are finally the best of the hero's year
You gonna be yourself
So get away...
