Suspicious Minds

Amanda Lear

We're caught in a trap
I can't walk out
Because I love you too much, baby

Why can't you see
What you're doing to me
When you don't believe a word I say?

We can't go on together
With suspicious minds (Suspicious minds)
And we can't build our dreams
On suspicious minds

If an old friend I know
Drops by to say hello
Would I still see suspicion in your eyes?

Here we go again
Asking where I've been
You can't see the tears are real, I'm crying

We can't go on together
With suspicious minds (Suspicious minds)
And we can't build our dreams
On suspicious minds

Whoa, let our love survive
I'll dry the tears from your eyes
Let's don't let a good thing die
Honey, you know I've never lied to you
But we can't go on together
With suspicious minds
We can't go on together
With suspicious minds

We're caught in a trap
I can't walk out
Because I love you too much, baby

Why can't you see
What you're doing to me
When you don't believe a word I say?

Well, don't you know
We're caught in a trap?
I can't walk out
Because I love you too much, baby

Why can't you see
What you're doing to me
When you don't believe a word I say?

Don't you know
We're caught in a trap?
I can't walk out
Because I love you too much, baby
We're caught in a trap

I can't walk out
Because I love you too much, baby.
