

Windsor's Dance

Amanda Lear

Windsor's dance
It's a waltz to success
With some lords and princesses
So, Bow before you dance
You have to be the best, tonight !
Windsor's dance
Invite me for a Dance
You have to be the best, tonight !
Wild and Green the British land
Wild and free I run away
Wild and free my early years
In my heart for ever
Lips on lips I kissed a boy
Quick honey honey, Kiss me now !
Princes and Princesses are about to come
Opening the new world
Remember..
The Windsor's dance
Windsor's dance is a chance
I have to take !
I Love England (X4)
Windsor's dance
When the Queen appears
You have to remember this dance
Windsor's dance
