Special

Amanda Marshall

Two buses and a subway train
To get to his house in the pouring rain
She told her mother a different name because
Parents never understand
Meet me next to the bleachers after school
Your last class is only math
Crap you'll never use
There's no algebra in Hollywood

I can get your song on the radio
I can get you on a t.v. show
I can make you famous, don't you know
You're so special

Boom shakalaka shakalaka boom boom
Shakalaka boom boom

Hotstepper with a Snapchat dream
Typing her way to celebrity
A little MAC and some Maybelline and he won't tell if she won't
Out the window, dodging teacher
And feelin' cool
Forget the prom, c'mon, we got work to do
You're the only one who understands me

I can get your song on the radio
I can get you on a t.v. show
I can make you famous, don't you know
You're so special
Smile for the camera like it's MTV
Take you all the way, come with me
Show you all the places you can go
You're so special

I know you're curious, but do you want it enough?
Cuz I won't waste my time, that's it, you're doing just fine
Don't stop now, don't stop now
Don't make me change my mind about you

(I can get your song on the radio - boom shakalaka shakalaka boom boom)
(I can get your song on the radio - shakalaka boom boom)

Don't be so shy - no one likes a girl who's too uptight

I can get your song on the radio
I can get you on a t.v. show
Play your cards right sweetheart, you never know (why're you crying)
Smile for the camera like it's MTV
Take you all the way, come with me
Oh, the places you can go
When you're special
You're so special
Sing
(Two buses and a subway train) yeah yeah
(Two buses and a subway train) oooh, yeah, yeah
(Two buses and a subway train - you're special, you're so special)

(Two buses and a subway train) yeah yeah
(Two buses and a subway train) yeah, yeah, yeah
(Two buses and a subway train – you're special, you're so special
