

## Strength Through Music

Amanda Palmer

Locked in his bedroom  
he saw the world  
a web of answers  
and cumshot girls

Tick tick tick tick tick  
tick tick tick tick tick

Don't bother blaming  
his games and guns  
he's only playing  
and boys just want to have fun

He picked a soundtrack  
and packed his bag  
he hung his walkman  
around his neck

Tick tick tick tick tick  
tick tick tick tick tick

It's so simple  
the way they fall  
no cry, no whimper  
no sound at all

Tick tick tick tick tick  
tick tick tick tick tick  
tick tick tick tick tick  
tick tick tick tick tick  
tick tick tick tick  
boom
