

# Boomerang

Amaranthe

You can always bring me down but I come around  
Like a boomerang, like a boomerang 'round

Like a boomerang, like a boomerang 'round  
Like a boomerang, like a boomerang 'round  
Like a boomerang, like a boomerang 'round  
Like a boomerang, like a boomerang 'round

One time, did it two times and now three times you call me baby  
Why don't you let it all out, you'll only drive me crazy  
Let it go, I said, "No, no, no", I said "No, no, no"

I am sarcastic, can you cope with my rejection?  
One time, did it two times, it's now, you reach your own reflection  
Turn around, go down, down, down, down, down, down

Why can't you leave me 'cause I am saying that I had it all  
It's like you cannot see it's just what I wanted  
I cannot take it that you're thinking that you can know it all  
Never goin' down like a boomerang 'round

You can always bring me down but I come around  
Like a boomerang like a boomerang 'round  
You can always bring me down but I come around  
Like a boomerang like a boomerang 'round

Like a boomerang, like a boomerang 'round  
Like a boomerang, like a boomerang 'round  
Like a boomerang, like a boomerang 'round  
Like a boomerang, like a boomerang 'round

I try to face it as you're staging a defiance  
I will reroute to remain, you know that you are driving me insane  
I said, "No, no, no, let it go, go, go"

I'm on the edge, it's like I'm caged, I'm mass destruction

Eye for an eye, I see you know you face your deconstruction  
Turn around, you go down, down, down

Why can't you leave me 'cause I'm saying that I had it all  
It's like you cannot see it's just what I wanted  
I can not take it that you're thinking that you know it all  
Never going down like a boomerang 'round

You can always bring me down but I come around  
Like a boomerang like a boomerang 'round  
You can always bring me down but I come around  
Like a boomerang like a boomerang 'round

Like a boomerang, like a boomerang 'round  
Like a boomerang, like a boomerang 'round  
Like a boomerang, like a boomerang 'round  
Like a boomerang, like a boomerang 'round

Think you're blood-bound then I am a mastermind  
Think you're sky-bound you are going down, down

If you're underground then I am a king crowned  
Now you're going down like a boomerang 'round

Why can't you leave me 'cause I am saying that I had it all  
It's like you cannot see it's just what I wanted  
I cannot take it that you're thinking that you can know it all  
Never goin' down like a boomerang 'round

You can always bring me down but I come around  
Like a boomerang like a boomerang 'round  
You can always bring me down but I come around  
Like a boomerang like a boomerang 'round  
(Like a boomerang 'round)
