

## Dead Leaves

Ambar Lucid

Dead leaves cover the floor  
I need someone to hold me  
Like never before  
Should I even bother letting anybody know how I feel  
Days are getting shorter nights are long it's getting harder to  
heal  
Ay otoño tengo frío  
Te robaste mi jardín

Ay invierno que agresivo  
Wintry breezes you're so mean  
You're so mean

Arde mi pobre corazón por tanto desearte extraño el verano  
No se si vale la pena contar como me he sentido  
Tengo sentimientos complicados que no hacen sentido  
Ay otoño tengo frío  
Te robaste mi jardín

Ay invierno que agresivo  
Wintry breezes you're so mean  
You're so mean
