

Questioning My Mind

Ambar Lucid

What do I do, you seem so far away
You know my heart, it doesn't wanna stay
Tu besos en mi alma quiero aquí, aquí

Remember when we both said
We would never let this life
Get to our heads

You got me questioning my mind
Aaah
Leavin' me thoughts that aren't so kind
Aaah
¿No ves que yo te veo a ti?
Aaah
But there are other ones to see
Aaah

My heart is aching but, see I'm not blind
Don't wanna leave all of this behind
Te he dado todo ya oh my, oh my

Remember when we both said
We would never let this lie
Get to our head

You got me questioning my mind
Aaah
Leavin' me thoughts that aren't so kind
Aaah
¿No ves que yo te veo a ti?
Aaah
But there are other ones to see
Aaah

Amor mío, tengo frío
Escalofrío, te necesito

You got me questioning my mind
(Questioning my mind)
Aaah
Leavin' me thoughts that aren't so kind
Aaah
¿No ves que yo te veo a ti?
Aaah
But there are other ones to see
(There are other ones to see)
Aaah
Ooh no
