

Angry

Amber Lawrence

She was a beautiful girl, straight out of school, she believed
everything he said The wedding was white, and by the end of the
night, they slept in separate beds Ten years later, he has con
vinced her, she gets what she deserves
Ten years later, she kinda hates what he's done to her self wor
th
She had to get angry before she could get happy
She had to get over him walking all over her
She had to get mad about all the times he called her crazy She
had to get angry now the rest is history
Marriage is hard, it's not a walk in the park, but it shouldn't
make you cry
You shouldn't go to sleep, week after week, by the glow of that
old gas light
Ten years behind her, he ain't getting kinder, he never thought
that she would leave But a like a good wine, she's better with
time, watch her walk on out of here
So here's to the women who have gone before Said enough's enoug
h
No more no more
Changed the world for other girls
Changed the world for the better
