

## End of the Tunnel

Amber Lawrence

Whistle blowing way down the line  
Everybody's moving on with their lives  
And I'm starting again, again  
I don't mind a little grit on my hands  
Digging deep to find happiness  
I'm a southbound train, breaking through the gates  
And I won't give up and I won't give in  
And I'll keep on breathing, keep believing

Oh if you follow the light  
You'll find love at the end of the tunnel  
And when you're down low; your heart's on the line  
And your faith is beginning to crumble  
All through the dirt and dust and tears and trouble  
Hope is shining in the rubble  
Oh if you follow the light  
You'll find love at the end of the tunnel

I don't want to just get out alive  
I want to make the most of my life  
Find the strength within, to believe I can  
Fall in love, instead of falling apart  
Stay on track not lost in the dark  
I'm a one way train, and I'm keeping faith  
And I won't give up and I won't give in  
And I'll keep on breathing, keep believing

Oh if you follow the light  
You'll find love at the end of the tunnel  
And when you're down low; your hearts on the line  
And your faith is beginning to crumble  
All Through the dirt and dust and tears and trouble  
Hope is shining in the rubble  
Oh if you follow the light  
You'll find love at the end of the tunnel

There you were, right on time  
Like I knew I'd one day find  
Hold my hand, don't let go, lead me home
