

Ike's Gone Hiking

Amber Lawrence

Hike, hike, hike, hikety, hike, hike, hike, hikety
Hike, hike, hike, hikety, hike, hike, hike

Ike's gone hiking, yeah
Ike's gone hiking, yeah
Ike's gone hiking in the mountain air
With his boots and backpack
And his snacks and new map
He can hike the outback and the mountain air

How low can you go, how high can you climb?
Can you reach the top, can you touch the sky?

Hike, hike, hike, hikety, hike, hike, hike, hikety
Hike, hike, hike, hikety, hike, hike, hike

Ike's gone hiking, yeah
Ike's gone hiking, yeah
Ike's gone hiking in the mountain air
With his Daddy and Mama
He's an adventure climber
Going higher and higher in the mountain air

How low can you go, how high can you climb?
Can you reach the top, can you touch the sky?

Hike, hike, hike, hikety, hike, hike, hike, hikety
Hike, hike, hike, hikety, hike, hike, hike
Hike, hike, hike, hikety, hike, hike, hike, hikety
Hike, hike, hike, hikety, hike, hike, hike

How low can you go, how high can you climb?
Can you reach the top, can you touch the sky?

Ike's gone hiking, yeah
Ike's gone hiking, yeah
Ike's gone hiking in the mountain air
