

# Life Is a Great Big Adventure

Amber Lawrence

All aboard the Amber train  
A great, big adventure awaits

If there's one thing I want you to remember  
It's that life is a great big adventure  
From the bottom of the deep blue sea to the top of the tallest  
green, green tree  
Life is a great big adventure

From the moment that you wake up in the morning  
To the minute that you fall asleep at night  
There's so much to discover the world is full of wonder  
There's so much out there under, clear blue Aussie sky

If there's one thing I want you to remember  
It's that life is a great big adventure  
From the bottom of the deep blue sea to the top of the tallest  
green, green tree  
Life is a great big adventure

Every day is full of sights and sounds and colours  
And every year's a trip around the sun  
It's really up to you, so many things to do  
There's always something new the adventure has begun

If there's one thing I want you to remember  
It's that life is a great big adventure  
From the bottom of the deep blue sea to the top of the tallest  
green, green tree
