

Rise

Amber Lawrence

Are you down on your luck?
Don't wanna get up
Feel like you've had enough?
Well I hear you, I feel you
Cause some days are grey
Yeah i've felt that way

I had to dig deep and say
If you can get up, come get up
So open your eyes, It's your time to rise
And if you're gonna rise, you might as well shine
Get up on your feet, my friend, just breathe
Cause if you can find the rain in rainbows, well you can change
your mind
And rise

There's so much to do
It can get the better of you
Yeah we all fake it through
But sometimes to make it, we can't fake it
So call on me

Whenever you need
Let me help you believe
That you can get up, come on and get up!
And when you feel like you've got nothing left
Look for me darling I'm here til the end..right til the end yea
h yeah yeah
