

# Bubbles

Amber Mark

I'll buy, I'll spend, my nights, my friends  
I'm going out just to get over  
The days I spent caught up regrets  
I dust your name off of my shoulders

Whoa no don't you waste my time  
Skip the shot and the lime  
Right back to the bubbles every night  
Yeah I feel alright

Whoa no don't you waste my time  
Skip the shot and the lime  
Right back to the bubbles every night  
Yeah I feel alright

Yeah, yeah, y-yeah  
Yeah, yeah, I feel alright  
Yeah, yeah, y-yeah  
Yeah, yeah, I feel all  
Yeah, yeah, y-yeah  
Yeah, yeah, I feel alright  
Yeah, yeah, y-yeah  
Yeah, yeah, I feel alright

I'll buy, I'll spend, two steps ahead  
I'm feeling good don't need the closure  
No pain, no stress  
No you in my head  
Someone gon' come pull me closer

Woah no don't you waste my time  
Skip the shot and the lime  
Right back to the bubbles every night  
Ya I feel alright

Oh no don't you waste my time  
Skip the shot and the lime  
Right back to the bubbles every night  
Yeah I feel alright

Yeah, yeah, y-yeah  
Yeah, yeah, I feel alright  
Yeah, yeah, y-yeah  
Yeah, yeah, I feel alright  
I feel alright

Oh no don't you waste my time  
Skip the shot and the lime  
Right back to the bubbles every night  
Yeah I feel alright

Oh no don't you waste my time  
Skip the shot and the lime  
Right back to the bubbles every night  
Yeah I feel alright

Yeah, yeah, y-yeah

Yeah, yeah, I feel alright  
Yeah, yeah, y-yeah  
Yeah, yeah, I feel alright  
Yeah, yeah, y-yeah  
Yeah, yeah, I feel alright  
Yeah, yeah, y-yeah
