

# Doin' Me

Amber Mark

I had to go and throw myself into emotion  
Floating arms are open  
Losing all the things I know

Paris ain't no place to be alone  
When you're down and on your own  
Oh, no-no  
So damn hard when love is all around  
And myself is all I found to hold the heat  
But I'm gonna keep

I'm gonna, I'm gonna keep  
Keep doing me  
I'm gonna, I'm gonna keep  
Keep doing me  
I'm gonna, I'm gonna keep  
Keep doing me  
I'm gonna, I'm gonna keep  
Keep doing me  
I'm gonna, I'm gonna keep  
Keep doing me  
I'm gonna, I'm gonna keep  
Keep doing me  
I'm gonna, I'm gonna keep  
Keep doing me  
I'm gonna, I'm gonna keep  
Keep doing me

Each night I find my light in the mirror  
Stars shine in my eyes  
Future's getting clearer and clearer

'Cause Paris ain't no place to be alone  
When you're down and on your own  
Oh, no-no  
So damn hard when love is all around  
And myself is all I found to hold the heat  
But I'm gonna keep

I'm gonna, I'm gonna keep  
Keep doing me  
I'm gonna, I'm gonna keep  
Keep doing me  
I'm gonna, I'm gonna keep  
Keep doing me  
I'm gonna, I'm gonna keep  
Keep doing me  
I'm gonna, I'm gonna keep  
Keep doing me  
I'm gonna, I'm gonna keep  
Keep doing me  
I'm gonna, I'm gonna keep  
Keep doing me  
I'm gonna, I'm gonna keep  
Keep doing me

'Cause Paris ain't no place to be alone

When you're down and on your own  
Oh, no-no  
So damn hard when love is all around  
And myself is all I found to hold the heat  
But I'm gonna keep

I'm gonna, I'm gonna keep  
Keep doing me  
I'm gonna, I'm gonna keep  
Keep doing me  
I'm gonna, I'm gonna keep  
Keep doing me  
I'm gonna, I'm gonna keep  
Keep doing me

Keep doing me
