HEAT

Amber Mark

Heat, heat, heat, heat
Heat, heat, heat, heat

Going out, Saturday night fire
I'm burning up, way beyond desire
I got desire for you just to hit me up
I got that fire and you coulda had it, you coulda had it
I got desire for you just to hit me up
I got that fire, but boy you couldn't take this

Heat, heat, heat, heat
Heat, heat, heat, heat

H-E-A-T, put it on me
H-E-A-T, don't you want it?
H-E-A-T, put it on me
H-E-A-T, don't you want it?

It's yours to choose, you shoulda taken my flame with you
Why cut me loose if you're not gonna see this through?
'Cause I'm burning up and thinking of giving up
But boy you couldn't take this

Heat, heat, heat, heat
Heat, heat, heat, heat

H-E-A-T, put it on me
H-E-A-T, don't you want it?
H-E-A-T, put it on me
H-E-A-T, but boy you couldn't take this

Heat, heat, heat, heat
Heat, heat, heat, heat

Can't take it, give it back
Can't take it, burning up tonight
Can't take it, give it back
Can't take it, give it back
Can't take it, burning up tonight
Can't take it, give it back

Heat, heat, heat, heat (H-E-A-T)
Heat, heat, heat, heat (H-E-A-T)
