

Heatwave

Amber Mark

Oh my my
Why is this feeling ain't right?
Yes, I've tried
To express this fire in my mind
Yeah, need to be
Where the breeze heats my body
About to freeze
I need heat
So, just forget about what we're going to find in this
Heat, heat, heat, heat

Heat
Wave
Hiding
In the flame
Heat
Wave
Summer
Everyday

(Heat)
I want to go get away (Wave)
Feel the heat wave (Hiding)
I want to go get away (In the flame)
I want to get heat waves (Heat)
I want to go get away (Wave)
Feel the heat wave (Summer)
I want to dance the night away (Everyday)
I want to get heat waves (Heat)

Damn, I'm pissed
To find out all the life I missed
I'm over it
Don't work all day to live like this, yeah
Getting free
I am numb
I've retired
Aye, aye, aye
Gonna be
In the sun
And just forget about what we're going to find in this
Heat, heat, heat, heat

Heat
Wave
Hiding
In the flame
Heat
Wave
Summer
Everyday

(Heat)
I want to go get away (Wave)
Feel the heat wave (Hiding)
I want to go get away (In the flame)
I want to get heat waves (Heat)

I want to go get away (Wave)
Feel the heat wave (Summer)
I want to dance the night away (Everyday)
I want to get heat waves (Heat)

(Heat)
I want to go get away (Wave)
Feel the heat wave (Hiding)
I want to go get away (In the flame)
I want to get heat waves (Heat)
I want to go get away (Wave)
Feel the heat wave (Summer)
I want to dance the night away (Everyday)
I want to get heat waves (Heat)

Wave
Heat
Wave
Heat
Wave
