

Space & Time

Amber Mark

Those eyes, those eyes
Take me places that I've never seen before
These times, with you and I
Make me question all of life, itself and more

So please
Take it easy on me
Let me know if I can be your world tonight
And I need you to hold me
For you to know, oh

It's like
In another space and time we were wild and free
Cause when I look into your eyes, boy it's all I see
Oh, the way we harmonize, so in harmony
In another space and time
Time

Ba-ba-ba-ba, ba-ba-ba-ba, ba-ba-ba-ba-ba-ba-ba-ba
Ba-ba-ba-ba-ba-ba-ba, ba-ba-ba-ba-ba-ba-ba
Ba-ba-ba-ba, ba-ba-ba-ba (You and me, we could be), ba-ba-ba-ba-
ba-ba-ba-ba (You and me, we should be)
Ba-ba-ba-ba-ba-ba-ba (In your arms tonight), ba-ba-ba-ba-ba-ba-
ba (In another space and time)
Ba-ba-ba-ba, ba-ba-ba-ba, ba-ba-ba-ba-ba-ba-ba-ba (Oh-huh)
Ba-ba-ba-ba-ba-ba-ba (In another space and time), ba-ba-ba-ba-
ba-ba-ba
Ba-ba-ba-ba, ba-ba-ba-ba, ba-ba-ba-ba-ba-ba-ba-ba (Oh-huh)
Ba-ba-ba-ba-ba-ba-ba (Know you feel it), ba-ba-ba-ba-ba-ba-
ba (I can feel it, don't you feel it?)

In another space and time we were wild and free
Cause when I look into your eyes, boy it's all I see
Oh, the way we harmonize, so in harmony
In another space and time
