

# Waiting

Amber Mark

You're like forever  
Time for a vibe  
Anticipatin', when you moanin' in my mind  
It can't be measured  
A feelin' like  
I will give up everything just to call you mine  
'Cause

I'll stay waitin' for you  
Any-anything, I do it all for you  
Baby, I'll stay waitin' for you

I'll stay waitin' for you, yeah  
Anything you want, I do it all for you  
I'll stay waitin' for you

You... darlin'
