

# Won't Cry

Amber Mark

Dance floor  
Take me  
Break me down  
Liberate me

Your lies  
Really got me goin'  
Had me for a moment  
Now I've seen the light

Dance floor  
Take me

You bomb my heart with your love  
I let you in, then you drown me deep in excuses  
No, I won't cry for an end that never began  
I won't waste my time on you, yeah

No, I won't cry  
For a waste of time  
No, I won't cry  
For a waste of time

Cry  
Cry  
I won't cry  
I won't cry

You bomb my heart with your love  
I let you in, then you drown me deep in excuses  
No, I won't cry for an end that never began  
I won't waste my time on you, yeah

I won't  
I won't

No, I won't cry  
For a waste of time  
No, I won't cry  
For a waste of time

No, I won't cry for an end that never began  
I won't
