Amber Pacific

There's so many things that I can't say  
My actions speak louder than me  
I know I brought you so much pain and it's not okay

Yet here we are just another lesson learned  
It's not too late don't let it burn  
Didn't think the end would ever end like this  
Now I'm singing

Na na na na na na na na na na

I'm a mess, I'm a mess  
You're messing with my head, with my head, with my head  
It's S.O.S. on the bed, on the bed  
Just fucking with my head, with my head, with my head  
It's S.O.S.

Na na na na na na na na na na

I know I let you down, I'm so sorry  
I can't explain that part of me  
Late at night I'm writing out my apologies

Yet here we are just another lesson learned  
It's not too late don't let it burn  
Didn't think the end would ever end like this  
Now I'm singing

Na na na na na na na na na na

I'm a mess, I'm a mess  
You're messing with my head, with my head, with my head  
It's S.O.S. on the bed, on the bed  
Just fucking with my head, with my head, with my head  
Don't say it's too late but it's just so obvious  
I'm a mess, I'm a mess, it's fucking with my head  
It's S.O.S.

Don't hold me up so high, afraid of the letdown  
Don't be the reason why I'm burning my lungs out  
Don't say I never tried I'll call when I breakdown  
My failed attempt at life so go find me help now

Na na na na na na na na na na

I'm a mess, I'm a mess  
You're messing with my head, with my head, with my head  
It's S.O.S. on the bed, on the bed  
Just fucking with my head, with my head, with my head  
Don't say it's too late but it's just so obvious  
I'm a mess, I'm a mess, it's fucking with my head  
It's S.O.S.  
It's S.O.S.  
It's S.O.S.
