

## A Kiss to Build a Dream On

Amber Rubarth

Give me a kiss to build a dream  
And my imagination will thrive upon that kiss  
Give me what you alone can give a kiss to build a dream  
on  
Give me a kiss before you leave me  
And my imagination will feed my hungry heart  
Give me one thing before we part a kiss to build a dream  
on

When I'm alone with my fancies I'll be with you  
Weaving romances making believe they're true  
So give me your lips just for a moment  
And my imagination will make that moment live  
Give me what you alone can give a kiss to build a dream  
on

When I'm alone with my fancies I'll be with you  
Weaving romances making believe they're true  
Give me what you alone can give a kiss to build a dream  
on  
And my imagination will thrive upon that kiss  
Give me what you alone can give a kiss to build a dream  
on
