

Big Boys

Amber Run

Let the big boys cry
Like a waterfall
Let the big boys cry
Like never before
You're not wasting my time
You're a friend of mine
Let the big boys cry
Only Big boys cry

Let the big boys cry
Like a waterfall
Let the big boys cry
Like never before
You're not wasting my time
You're a friend of mine
Let the big boys cry
Only Big boys cry
