

Hurricane

Amber Run

Love me now or love me later
I can't say that I don't mind
But I know what it's like to lose yourself
In a moment that feels much bigger than us

It's always blood then rust, it's rust then rain
And oh I know you feel the same
It's always skin then sheets, then skin again.
Your love is like a hurricane.

I want to peel away our summer skin
I want to see if we're the same
'Cause I'm desperate for your adoration
I'm holding onto a hurricane.

Pin me down and hold me closer
I want to look straight in your eyes
Because I don't know where I'm going
Who I'm with, or if you're going to be coming too

It's always blood then rust, it's rust then rain
And oh I know you feel the same
It's always skin then sheets, then skin again.
Your love is like a hurricane.

I want to peel away our summer skin
I want to see if we're the same
'Cause I'm desperate for your adoration
I'm holding onto a hurricane.

Oh I want you, Oh I want you, Oh I want you,
Oh I want you, Oh I want you, Oh I want you.

It's always blood then rust, it's rust then rain
Your love is like a hurricane.
