

I Found

Amber Run

And I'll use you as a warning sign
That if you talk enough sense then you'll lose your mind
And I'll use you as a focal point
So I don't lose sight of what I want
And I've moved further than I thought I could
But I missed you more than I thought I would
And I'll use you as a warning sign
That if you talk enough sense then you'll lose your mind

And I found love where it wasn't supposed to be
Right in front of me
Talk some sense to me
[x2]

And I'll use you as a makeshift gate
Of how much to give and how much to take
Oh I'll use you as a warning sign
That if you talk enough sense then you'll lose your mind

Oh and I found love where it wasn't supposed to be
Right in front of me
Talk some sense to me

And I found love where it wasn't supposed to be
Right in front of me
Talk some sense to me
[x3]
