Anyway

Amber

Do do do do do...
You love black and I like red
You like dogs and I like cats
I like to talk, you'd rather watch TV
You like to control, I accept what I see
You're so cool, I am emotional
You wanna a wife, I need a match for my soul
Just stay away from the mood I reach for the stores
I am from Venus and you're from Mars

I don't know what you mean, what you do or say
I love you anyway
Love you anyway
I don't know what you feel, should I go or stay
I love you anyway
Love you anyway
Hey
Do do do do do...

You're so jealous, no I am not
I think relationships are built on trust
You live for action, I guide for romance
We're so different why give it a chance
You want to be you but I can't be myself
I feel in prison while you feel unsafe
You read your head, I listen to my heart
???

I don't know what you mean, what you do or say
I love you anyway
Love you anyway
I don't know what you feel, should I go or stay
I love you anyway
Love you anyway
Hey
Do do do do do...

We're together you still feel alone
If one is there the other one is gone
If thought and you would meet for a day
Nothing can change anyway

I don't know what you mean, what you do or say
I love you anyway
Love you anyway
I don't know what you feel, should I go or stay
I love you anyway
Love you anyway
Hey
Do do do do do...

I don't know what you mean, what you do or say
I love you anyway
Only in my way
Not in your way
Oh not in your way
Anyway
