

# Countdown

Amber

Standing face to face  
The awkward silence got us  
hungry for something to do  
Let's break the tension  
Come and keep me guessing  
from this moment all I want is you

Came to have some fun  
And I need you to say  
yeah-yeah yeah-yeah  
In this war you've won  
Can you make me go yeah-yeah  
go yeah-yeah yeah-yeah

5 4 3 2 1  
Better see that body  
Better see that body on me  
Yeah count that  
5 4 3 2 1  
Yeah you know you want it  
Yeah you know you want it  
Yeah count that

Ah-ah Ah-ah  
Yeah count that  
Ah-ah Ah-ah  
I'm counting down the time  
I'm counting down the time yeah

No need for conversion  
I want your innovation  
Hurry come and lock me down  
The thrill I can't get enough  
These quiet nights need turning up  
So won't you please baby yeah

Came to have some fun  
And I need you to say  
yeah-yeah yeah-yeah  
In this war you've won  
Can you make me go yeah-yeah  
go yeah-yeah yeah-yeah

5 4 3 2 1  
Better see that body  
Better see that body on me  
Yeah count that  
5 4 3 2 1  
Yeah you know you want it  
Yeah you know you want it  
Yeah count that

Came to have some fun  
And I need you to say  
yeah-yeah yeah-yeah  
In this war you've won  
Can you make me go yeah-yeah

go yeah-yeah yeah-yeah

5 4 3 2 1
