

Voodoo

Amber

I'm the kiss on your forehead
I'm the touch on your heart
I'm the goosebump running down your spine
I'm the paintbrush to your art
You're the sugar in my coffee
You're the comet in the sky
You're my true testimony
You're my sweetest alibi
Voodoo
Oh how I love you
I don't know why
I don't know how
All I know is that I just do
Voodoo
Oh how I want you
I don't know why or when or how
You're so beautiful unexplainable
Voodoo
You're the key to my freedom
You're the vision in my eye
You're the light to my candle
You're the truth to all my lies
I'm the taste on your tongue
I'm the tattoo on your skin
I'm each breath that you take
I'm you're sensual herion
Voodoo
Oh how I love you
I don't know why
I don't know how
All I know is that I just do
Voodoo
Oh how I want you
I don't know why or when or how
You're so beautiful unexplainable
Voodoo
You're the water to my desert
You're my time in my space
I'm the crack in your sidewalk
I'm the direction in your maze
Voodoo
Oh how I love you
I don't know why
I don't know how
All I know is that I just do
Voodoo
Oh how I want you
I don't know why or when or how
You're so beautiful unexplainable
