

Under Attack

Amberian Dawn

Don't know how to take it, don't know where to go
My resistance running low
And every day the hold is getting tighter and it troubles me so
(You know that I'm nobody's fool)
I'm nobody's fool and yet it's clear to me
I don't have a strategy
It's just like taking candy from a baby and I think I must be

Under attack, I'm being taken
About to crack, defences breaking
Won't somebody please have a heart
Come and rescue me now 'cause I'm falling apart
Under attack, I'm taking cover
He's on my track, my chasing lover
Thinking nothing's gonna stop him now
Should I want to, I'm not sure, I won't know how

Now this is getting crazy, I should tell him so
Really let my anger show
Cause waiting at the answer to his questions is a definite blow
(I'm kind of certain that's the truth)
Guess I'm kind of flattered but I'm scared as well
Something like a magic spell
I hardly dare to think of what could happen, where I'd be if I fell

Under attack, I'm being taken
About to crack, defences breaking
Won't somebody please have a heart
Come and rescue me now 'cause I'm falling apart
Under attack, I'm taking cover
He's on my track, my chasing lover
Thinking nothing's gonna stop him now
Should I want to, I'm not sure, I won't know how

Under attack, I'm being taken
About to crack, defences breaking
Won't somebody please have a heart
Come and rescue me now 'cause I'm falling apart
Under attack, I'm taking cover
He's on my track, my chasing lover
Thinking nothing's gonna stop him now
Should I want to, I'm not sure, I won't know how

Under attack, I'm being taken
About to crack, defences breaking
Won't somebody please have a heart
Come and rescue me now 'cause I'm falling apart
Under attack, I'm taking cover
He's on my track, my chasing lover
Thinking nothing's gonna stop him now
Should I want to, I'm not sure, I won't know how
