

## Do The Math

Ambjaay

Gang, gang, gang, gang  
Ay, it cost to live like this, you hear me

She shaking ass, she gon' throw it back  
She gon' drop it fuckin' low for a couple racks  
I'ma dunk in her pussy like a nigga Shaq  
Run that thang lil' bitch make that ass clap

She want a date a young nigga, that's in his bag  
Diamonds wet on my wrist like I took a bath  
I'm really him, lil' bitch, I ain't gotta brag  
Hundred bands im' the man, you do the math

Shake that ass, lil' bitch, toot it back  
Count the cash, lil' bitch, get it bag  
Buzz down on my bitch, I got em' mad  
Red beam on a chop, laser tag

She called a nigga poppy, but I'm not her dad  
She give a nigga sloppy-toppy, I didn't ask  
No cap after that, she in my past  
After I hit Jimmy Neutron, I got a blast

Swerve the beamer, lil' bitch, run that bag up  
Feel the niggas shells, you know I'm finna gas up  
Applause, lil' bitch, clap that ass up  
Home run, that pussy, I'm finna bat it up

Drop it down, pick it up  
Bad bitch, light skin, and she thick as fuck  
She gon' hop on my horse like Giddy Up  
Ion' fuck with these niggas like I'm Uncle Rus

The way she sack her ass, she got it from her mama  
She drive a Kia, friend drive a Honda  
I'ma beat the pussy up like a pianta'  
She gon' cut the fuckin' ass like a fuckin' chopper

Run that for the gang, I'ma make it rain  
I'ma buy her a drink like I'm T-Pain  
She'll do anything for them Ben Frank  
She gon' give me fuckin' brain while I'm switchin' lanes

I be drippin' on these niggas, hot sauce  
All I took is fuckin' bitch, my fault  
I be bullin' with this bitch with the top off  
Many niggas bitch made, RuPaul

Bitch, I'm in my fuckin' bag, on you goof, balls  
And she back that ass up like a U-Haul  
Keep a pocket rockin' on me like I'm Chris Paul  
Bitch, I'm up now, bitch, I got her pissed off, yeah

She shake her ass, she gon' throw it back  
She gon' drop a fuckin' low for a couple racks  
I'ma dunk in her pussy like a nigga Shaq  
Run that thang lil' bitch make that ass clap

Ay, it cost to live like this, you hear me
