Ambjaay

This that drip nigga posture
Bad bitches on my roster
Bitch I been doing shit since I was a toddler
Nigga wanna fake kick it I don't play soccer
I know you see us balling bitch you don't need binoculars
Red bone she thick thick nigga this that drip shit
Her pussy wet man you know I'm finna kill this
If you ain't talking bout no cash don't want hear shit
I had to cut niggas off they on that that weird shit
If I cheat and she don't leave she a real bitch
Yeah I got her on her knees I'm like feel this
Chop stick cook him up he grill shrimp
Let em blow do em cold like a air vent
Iny mini money moe I can hit any hoe
Two bad bitches on my side I'ma hit em both
Whip out dick now she looking like she seen a ghost
I got your bitch in my dm of a insta post
Bitch you know it's jaay bally I listen when the pape talking
If ain't that than you know a nigga hate talking
Too much ass in her jeans damn she hate walking
I got drink up in my cup bitch this ain't coffee
His bitch do fucking broke niggas do the hating
My chain on icy my diamonds really skating
She talking bout she love me I know this bitch playing
Ben Frank on my mind blue faces what I'm craving
Underrated only nigga making hits by myself
Stop playing I really fuck your bitch by myself
Her pussy wet damn her shit grip by itself
Ben frank in my face don't see nobody else
Deliver dick to a bitch like it's pizza
Now her body leaning like she off wokeisha
Dark skin thick thang look keisha
I been the one since I came out Trena
You cuff hoes nah me wouldn't even keep 'em
Two two threes coming fast like a demon
Beat her down now I got neighbors peeking
Back in my glo fuck a hoe tell her beat it

Yeah I had let the beat breathe
She gave me sloppy top damn she got good knees
Exotic shoes on my feet please don't touch these
Bitches in my face always talking bout cuff me
It get hectic out here better tuck heat
I ain't boujee only bad hoes can fuck me
I don't trust nobody don't even trust me
Mix the casa with four of her friends nigga plus me
Pull out dick then I bust on her but cheeks
She see my neck get her wet it's a tuff piece

Aye it cost to live like this you hear me
