

## Get Litty

Ambjaay

I can't hit it all night, or early morning  
Baby put that thang on me you know that I want it  
We can run them bands up, yeah I'm all for it  
And I know she wanna fuck I'm highly important

Shake that ass get litty  
Oh she wanna fuck with me  
Buss it down, get busy  
Bleed the scene, I'm too drippy  
Don't play with it

Baby shake that ass don't play with it  
Oh she in her bag and she came different  
I'm like where you at, baby what you doing  
I call her sexy face yeah she the cutest  
Ass pokin out her shorts I'm liking how she moving  
Bend it over yeah tooted  
Put it on, mix it up bad bitch thick as fuck  
Drop it low pick it up  
You know you can hit me up  
Put dick in her stomach tryna fill her up  
Take her straight to pound town, damn see thick as fuck  
Hit the scene, bleed the scene I'm finna drip it up  
Do your thing, do your thing yeah

I can't hit it all night, or early morning  
Baby put that thang on me you know that I want it  
We can run them bands up, yeah I'm all for it  
And I know she wanna fuck I'm highly important

Shake that ass get litty  
Oh she wanna fuck with me  
Buss it down, get busy  
Bleed the scene, I'm too drippy  
Don't play with it

Baby you know I miss you it been a minute  
Beat the Yaki Meechie yeah I'm tryna kiss  
Grab on her hips when I poke her  
Yeah we vibin off the liquor  
Hate being sober she got ass like a stripper  
Her face is the coldest she fuckin' with a nigga  
Pussy sound like macaroni when I hit it  
Throw that body on me I miss it  
Baby what we on, yea, let's go get a bag  
Tell her do a 360 she got a lot of ass  
You know you can fuck with me ain't gotta ask  
I like it like that

I can't hit it all night, or early morning  
Baby put that thang on me you know that I want it  
We can run them bands up, yeah I'm all for it  
And I know she wanna fuck I'm highly important

Shake that ass get litty  
Oh she wanna fuck with me  
Buss it down, get busy

Bleed the scene, I'm too drippy  
Don't play with it

Ay, it cost to live like this, yeah
