

Lil Bit

Ambjaay

I ain't gon' lie, she got ass for a lil' bitch
Turn around, let me hit it for a lil' bit
Tell her wop that thang up, damn, she too thick

She wanna hang with the gang like two tits
Pass the ba-ba, I'm in this bitch, I'm too lit
Man I quick to hit somethin' like a pool stick
Drop a slapper on they ass, they like who it is

Slap 30 in the Glock and make a move quick
Thick thang, finna back that ass up
She let me, fuck, I'ma clap her ass up
Niggas hatin', but it don't add up

Yeah, I got that shit on, back up
Baby bad, I'm a fuck her like a slut
Babe, what you doin'? You know I'm tryna
Babe, what you doin'? You know I'm tryna

Babe, what you doin'? You know I'm tryna fuck
Damn this bitch real thick, she finna shake it up
I don't take her serious, she like, damn, Jay, you play too much
I like them bad men, I only do ten and up

Put it in the air, after that, I'm finna stick her up
She got that good yacamichi, I'ma beat it up
Dancin' in the coochie, lil' baby, tryna touch yo' guts
Don't slow down with it, I'm tryna bust my nut

Put that dick all on her, I done got her stuck
I ain't gon' lie, she got ass for a lil' bitch
Turn around, let me hit it for a lil' bit
Tell her, wop that thang up, that she too thick

She wanna hang with the gang like two tits
Pass the ba-ba, I'm in this bitch, I'm too lit
Man I'm quick to hit somethin' like a pool stick
Drop a slapper on they ass, they like who it is

Slap 30 in the Glock and make a move quick
How the fuck I get her wet off a touch
She got ass for a lil' bitch, baby, back it up
She bent it over, but you know I wrap it up

She creamed all on my clothes, fuck my jacket up
You want it on the bed, I'm standin' up
Baby, I'm a nigga, you know I be drippin' up
Her nigga mad, he don't beat the cat enough

Whole time, she puttin' on me, man, this bitch actin' up
I ain't gon' lie, she got ass for a lil' bitch
Turn around, let me hit it for a lil' bit
Tell her, walk that thang up, that she too thick

She wanna hang with the gang like two tits
Pass the ba-ba, I'm in this bitch, I'm too lit
Man I'm quick to hit somethin' like a pool stick

Drop a slapper on they ass, they like who it is

Slap 30 in the Glock and make a move quick
