

One Wish

Ambjaay

If I had one wish, I'll bring my niggas back them killers push
up with them blicks, they
Don't know how to act man, that shit would get slimey, better w
atch
Your back man, that shit ain't been the same man just speakin f
acts
You turned your back, never thought of you doin that

Reminiscing about the things we did way back
She like, can you say your slogan? She like, when I say that
Nothing changed, catch me posted where the ase at
Life getting hard, wishin I can get a playback young nigga doin
g music, how I blow up rappin

If you ain't got that blick, they'll do you somethin nasty
One wish I crave is some millions for my family In my head a lo
t, you wouldn't even understand it
I wish somebody can show me real love I wish they can free all
the thugs
I wish everybody keep it a whole hun I wish, I wish, I wish, I
wish

But if I had one wish One wish, one wish, oh, oh
Sometimes I wish I could really get my granny back
So I could show her how I blew up off the rap
Homie died, how is mama supposed to deal wit that

It seem like the love turned fake and I'm not feelin that
Where I come from, man, you really gotta keep a strap
Most people won't even understand it I'ma run this money up and
keep winnin
As I look back, it put me in my feelings

If I had one wish, I'll play it right If I had one wish, I want
you in my life
Had to take a chance, had to roll the dice If it come to my fam
, I'll take a life
Out the mud, you know we was taught to survive
Hit him wit the Glock, you should've seen the flash in his eyes

Long live the bros, you know I'ma make it right
And heaven had a phone, I'm a call every night
I wish, I wish, I wish, I wish But if I had one wish
One wish, one wish, oh, oh

Ay, it cost to live like this , you hear me
