

Party

Ambjaay

Ay, she say she wanna party
Ay, she say she wanna party
Ay, she say she wanna party
You know that liquor get it started

Ay, she say she wanna party I be dripped' down in Marni
She got the face of a Barbie legs in the air, baby, arch it
Give me that pussy, I'ma park it man, that liquor get it starte
d
Not gon' lie bae, its serious gotta take you off the market

I get the rubbin' on your body, tryna lay you on the bed
Anejo shots to the face, she finna take it to the head
Let's go to Turks & Caicos, put our feet in the sand
I could slut you out, I know you see what I'm sayin'
Ain't nobody like her, ain't nobody like you
And I like your face, you be coming real cute
She real thick, tryna rip her out her bodysuit
If it ever get hard, is it me and you?
Tryna take you to a island
Yeah, I'm tryna vibe get to rubbin' on yo thighs
Set a mood, put them pennies to the side

Ay, she say she wanna party I be dripped' down in Marni
She got the face of a Barbie legs in the air, baby, arch it
Give me that pussy, I'ma park it man, that liquor get it starte
d
Not gon' lie bae, its serious gotta take you off the market

Put you on a PJ, tryna board the flight
Tryna hit you on the balcony by the end of the night
If everything play out, make you my wife
I ain't worryin' about them hate niggas all in your life
I could give you what you want, I could give you what you need
She never been to L.A., show her Californian breeze
I know that pussy wet, tryna rip you out yo jeans
We could match our fly, I be drippin' in Celine
I like the way you fuck when she put it on me, think I fell in
love
Ay, I see you wanna party, fuck it up

Ay, she say she wanna party I be dripped' down in Marni
She got the face of a Barbie legs in the air, baby, arch it
Give me that pussy, I'ma park it man, that liquor get it starte
