Ambjaay

Yeah I'm back aye sorry for the wait tho  
Bad vibe shake that ass for a bankroll  
Like Siri she gone do what I say so  
Dollar signs on my mind ben frank on my payroll  
Yeah I'm back aye sorry for the wait tho  
Bad vibe shake that ass for a bankroll  
Like Siri she gone do what I say so  
Dollar signs on my mind ben frank on my payroll

Amb the name so she tryna eat me up  
Every time she on the dick I tell her speed it up  
She a throat monster she gone suck semen up  
Yeah now she creaming up  
I'm just tryna really run that paper up  
Counting blue strips It's gone give me paper cuts  
When it come to you want you to fuck it up  
Aye I got out the mud get your muscle up  
Lil nigga who he thought he was He can fuck with us  
Been rapping for a min when they gone wake up  
Niggas hating on the kid since I came up

Yeah I'm back aye sorry for the wait tho  
Bad vibe shake the ass for a bankroll  
Like Siri she gone do what I say so  
Dollar signs on my mind ben frank on my payroll  
Yeah I'm back aye sorry for the wait tho  
Bad vibe shake the ass for a bankroll  
Like Siri she gone do what I say so  
Dollar signs on my mind ben frank on my payroll

It get cold like anemic  
If it ain't money we ain't speaking  
Don't tell me that you love me and you don't mean it  
Racks like Serena trying sell out arenas  
Its not on me its in me  
Chop stick take his soul when it lift him  
I hit her once than than I toss her like a frisbee  
She like boy you the man I say no kizzy  
If it ain't cash then I blast like I'm  
Jimmy  
If she got ass than I'm putting on a Jimmy  
I really do this shit on a regular  
I be flexing on these niggas like a wrestler

Yeah I'm back aye sorry for the wait tho  
Bad vibe shake the ass for a bankroll  
Like Siri she gone do what I say so  
Dollar signs on my mind ben frank on my payroll  
Yeah I'm back aye sorry for the wait tho  
Bad vibe shake the ass for a bankroll  
Like Siri she gone do what I say so  
Dollar signs on my mind ben frank on my payroll

Aye it cost to live like this you hear me
