

## Pressure

Ambjaay

Ay, it cost to live like this you hear me

Bad thang look real good, she pressure  
Every time I slide in, I get it wetter  
Nasty time throw it back, yeah, do the extra  
She know I'm the one, she ain't fuckin' with no regular  
Cute face pressure, thick waist pressure  
Pussy wet pressure, I'm down for whatever  
The way she throw it on me, that's pressure  
She an independent woman, that's pressure

She know that I'm down for whatever  
I'm the best that she had for the record  
When I'm off that baba, it get messy  
Told her hop on it, ride it like a Jetski  
Even though I know her name, I call her sexy  
Oh, you like that, fuck me like that, arch it like that  
She ain't know I was really comin' like that  
Hit her with that, thang she got her life snatched  
I'm the best that she had and that's all facts  
Put it in the air, I know you like that  
Oh, you all pressure and I like that

Bad thang look real good, she pressure  
Every time I slide in, I get it wetter  
Nasty time throw it back, yeah, do the extra  
She know I'm the one, she ain't fuckin' with no regular  
Cute face pressure, thick waist pressure  
Pussy wet pressure, I'm down for whatever  
The way she throw it on me, that's pressure  
She an independent woman, that's pressure

Wop it up, drop it up Spread them legs, don't talk too much  
And I'm drippin' all this sauce when I'm walkin' up  
And you know I like em bad since, you brought it up  
Run that money up, get your money up  
Pull up with a baddie, doin' a hunnit plus  
Ay, I keep some pretty sittin' in the cut  
Tell her get up off the dick, she gon' make me bust

Bad thang look real good, she pressure  
Every time I slide in, I get it wetter  
Nasty time throw it back, yeah, do the extra  
She know I'm the one, she ain't fuckin' with no regular  
Cute face pressure, thick waist pressure  
Pussy wet pressure, I'm down for whatever  
The way she throw it on me, that's pressure  
She an independent woman, that's pressure

Ay, it cost to live like this you hear me
