

Ayy, it cost to live like this, you heard me?

Ayy, rich nigga problems
Got a rich nigga bitch
Bad lil' juvie want a rich nigga dick
So many options, I got drip like this
She never met a nigga like this
Foreign too fast, who got a whip like this?
Bust it open, bend it over, let me see you do the splits
Hop out the thing, paparazzi takin' pics
And I used to be broke 'til God gave me a gift

You catch feelings and I catch flights
Sweetie wants this money 'cause this bag my type
She thick in them jeans, that's the kind of ass that I like
She ride the dick like a bike
Put the Henny on ice
Look, even the stop sign can't stop me
I'm cocky
I beat the pussy up like Rocky
I'm brazy
Put 'em in the box, like I'm Roddy
Load the choppy, then roll his ass on the dolly

Ayy, rich nigga problems
Got a rich nigga bitch
Bad lil' juvie want a rich nigga dick
So many options, I got drip like this
She never met a nigga like this
Foreign too fast, who got a whip like this?
Bust it open, bend it over, let me see you do the splits
Hop out the thing, paparazzi takin' pics
And I used to be broke 'til God gave me a gift

It's a reason why these niggas wanna be me
It's a reason why these niggas really hate me
Oh, you're mad 'cause your bitch wanna date me?
He jealous 'cause you blow the dick like an AC
Look, ridin' with drums like I'm Tay Keith
Lately, I ain't got time wearin' the AP
New bag, stackin' that cash like I'm AD
You mad, go get a bag, you niggas lazy

Ayy, rich nigga problems
Got a rich nigga bitch
Bad lil' juvie want a rich nigga dick
So many options, I got drip like this
She never met a nigga like this
Foreign too fast, who got a whip like this?
Bust it open, bend it over, let me see you do the splits
Hop out the thing, paparazzi takin' pics
And I used to be broke 'til God gave me a gift

Ayy, it cost to live like this, you heard me?
