'Member when she used to see me on my bike
She never knew I'll turn the trap into a sport
Now she knows that I'm a different kind of guy

In the bando when you see me with my guy
Rackers in my shorts, monkey in my socks
On my way to bust a shot, it weren't even 12 o'clock
I weren't even eighteen, I was cleanin' up the block
I was little with a lot, I got hustle in my socks
