Amount of money man spent cold out
It's only right that the wrist get froze
Yeah, yeah

It's only right that I rock and roll
Amount of days that a man spent banged up
It's only right that they let man go
(Free R, free A, free G, free D)
It's only right that they let man go
Amount of nights that a man spent sober
It's only right that the champagne flows
(Don't peak, don't peak, don't peak, don't peak, don't peak)
It's only right that the champagne flows
Amount of times that I gave out pictures
It's only right that a man just pose
Amount of times that a man just rolled out
It's only right that the wrist is froze
Amount of times that I couldn't cop one pair
It's only right that a man copped both
(Two pairs, two pairs, two pairs, two pairs, two pairs)
It's only right that a man copped both
Amount of times that she left man trap there
It's only right that a man got close
(You know them ones)
It's only right that I love that-

Amount of packs that a man just sold out
It's only right that it touch my soul
This rule, I tryna let man know
I was in a dance on the next angle
And a man's wife couldn't let man go
Body all sweet, lookin' like mango
She was real life, tryna take man home
Real life, tryna take man home
And who am I just to let that go?
Real life, tryna let man know
It's only right that she give man-
Too many nights in a bin, man
Nuff man didn't wanna link, man
And who am I just to let that go?
Real life, tryna let man know
It's only right that I told man no
