

Sad Warrior

Amduscia

Pain in world
Sad warrior soul
There's no escape don't try to run

Pain in world
Sad warrior soul
There's no escape
You can't be gone

Feeling the disease in this world
Don't try to start to run
Nobody have a scape
I'm only feel again
Start to fight and live in the bravest way

I want my desire, give me my wish
Start to fight and live your dreams
Scape is not the answer, you only need to start to fight
