

## G9 (Outro)

AMEE

I can't sleep  
Wish you have a good night  
I still remember  
The day we met in March  
I still remember  
The way you feel my heart  
I still remember  
The day we sing it loud  
I still remember  
The way you feel so proud

Good night  
Good night  
Good night  
Wish you have a  
Good night  
Good night  
Good night  
Have a good night
