

HIT

Ameer Vann

All together gang
Slime in the ice machine!
CONNIE, are you fucking kidding me?
Some shit
Yeah, my boy CONNIE in this bitch
Merlyn in this bitch
And I'm in yo bitch
Hotboys

Wet and wild, damn I wanna taste her
Relapse, pour another chaser
Say I'm sweet, shake it on my soft serve
Money love, mix it like a molotov

Hit, hit, hit, hit
Hit, hit, go and find a switch, boy
Hit, rich, hit, rich
Hit, rich, Merlin flexin' wrist, ayy

She bad, she ugly, she choosing, she choosing me
Kiss kiss the Persian rug while you on your knees
She crazy, she talkin' 'about love, Merlyn don't want no kids
Go on ahead and pull the rug, out from underneath
I'm the one don't need no one, she buss it while I throw the ones
Jacksons in her G-string, told her it's a G thing
Told a bad baby take a bath 'cause you stinky
So much cash last to the 2080s
Walk out my crib, feel like I'm in San Andreas
My life so risky, might as well move to Vegas
I was on a ten speed, now I'm on Mercedes
No love for the ladies, Merlyn love green faces

Hit, hit, hit, hit
Hit, hit, go on, fire the spliff up
Hit, rich, hit, rich
Hit, rich, Merlyn flexin' wrist, ayy
Hit, hit, hit, hit
Hit, hit, go on fire the splitt up
Hit, rich, hit, rich
Hit, rich, Merlin flexin' wrist, ayy

Ooh, she brand new
She gone suck the nut 'till her face blue
Ooh, she a masseuse
She gone'suck me up 'til I can't move
It's a new note, Rendezvous (Yes, sir)
Me and your hoe, and not you (No)
God bless me, I said achoo
Damn, I'm so stuck, I can't move

Hit, hit, hit, hit
Hit, hit, go on, fire the spliff up
Hit, rich, hit, rich
Hit, rich, Merlyn flexin' wrist, ayy
Hit, hit, hit, hit
Hit, hit, go on, fire the spliff up
Hit, rich, hit, rich

Hit, rich, Merlyn flexin' wrist, ayy
