

# You Don't See Me

Amel Larrieux

There you are  
Here I am  
You're so close but so far  
All we are is friends  
But that's not enough  
When it's strong, it can't wait  
Like my love  
Been so long that I've felt this way

[Chorus:]  
But you don't see  
You don't see me  
You don't see I'm in deep as I can be  
You don't see me, you don't see  
You don't see me

What's the deal  
Are you blind?  
I'm on fire  
Can't you feel  
How I lose my mind  
When you smile  
I need you just stop  
Look in my eyes  
When you do,  
Then you'll know my heart

[Chorus]

This is killin' me and I  
Feel like telling you just why  
This can't wait  
We're wastin' time  
But you walk-walk  
You walk-walk  
You walk right by
