

moves

Amelia Moore

(Yeah)

Ooh-ooh-ooh-ooh-ooh

Why you gotta kiss me in the middle of my sentences?

Catching me off guard like I don't know where all my senses went

Every time you don't reply, I'm back up on the fence again like, woah

Where did you go?

Yeah, I'd be dead if looks could kill, your face is making me too mad

Hangin' on to conversations, bet you knew that I do that

Don't know why you wait on ones that never ever want you back like, woah (Wo
w)

Got me like, ow

Ooh-ooh-ooh-ooh, sentimental

Why I gotta feel? Why I gotta feel

Like I'm only incidental?

When all I think about is

You oo-oo-oo, oo-oo

Wanna keep it cool oo-oo-oo-oo

That's what I'm tryna do oo-oo, oo-oo-oo-oo

But I'm running out of moves, moves, baby

You know that

I-I-I-I-I, I thought you'd be polite-ite-ite-ite-ite

I'm trying not to lose

But I'm running out of moves, moves, baby

Yeah, hangin' out is only cool when I'm not hangin' by a thread

Overthinkin' what I wish I didn't shoulda, coulda, woulda said

Still ain't got no strategy to strategize this game of chess like, woah

Where do I go?

Ooh-ooh-ooh-ooh, sentimental

Why I gotta feel? Why I gotta feel

Like I'm only incidental?

When all I think about is

You oo-oo

Wanna keep it cool oo-oo-oo-oo

That's what I'm tryna do oo-oo, oo-oo-oo-oo

But I'm running out of moves, moves, baby

You know that

I-I-I-I-I, I thought you'd be polite-ite-ite-ite-
ite (I thought you'd be polite)

I'm trying not to lose

But I'm running out of moves, moves, baby

I'm running out of moves now

I'm running out of moves now

I'm running out of moves, ayy

I'm running out of moves

I'm running out of moves now
