

## next door

Amelia Moore

One, two

I was looking outside  
When she caught my eye  
A pretty thing movin' things  
In the house right next to mine  
Wonder what it's like  
To be next to you  
Oh, are you busy tonight?  
Can I give you a hand with the move?

Wonder if I'm her type  
Know that it's her first night  
Wanna play it cool but I  
Can't wait too long  
Crop top with your green eyes  
What's under those Levi's?  
We ain't gotta sleep tonight  
If that's what you want

Ooh, I think that I  
I'm in love, I'm in love, I'm in love with the girl next door  
Never been so in love with a girl like this before  
She's got no idea how I'm really feelin'  
I'm in love, I'm in love, I'm in love with the girl next door  
With the girl next door  
With the girl next door, oh  
I'm in love, I'm in love, I'm in love with the girl next door  
With the girl next door  
With the girl next door  
I'm in love, I'm in love, I'm in love with the girl next door

I was just outside  
When I saw this guy  
6'3", white tee with the Nikes  
Ooh, he's just my type  
Boy, won't you just come on over  
Both of your hands on my shoulders  
Put on the TV, act like we watchin'  
Nobody's watchin', you can come closer  
Skip all the talking, yeah, ayy

I can see you staring through the window  
We should go ahead and skip the intro, yeah, yeah  
We can start it slow and see where things go  
I might be goin' crazy 'cause I think

I'm in love, I'm in love, I'm in love with the boy next door  
Never been so in love with a boy like this before  
He's got no idea how I'm really feelin'  
I'm in love, I'm in love, I'm in love with the boy next door  
With the boy next door  
With the boy next door, yeah  
I'm in love, I'm in love, I'm in love with the boy next door (Oh)  
With the boy next door (With the boy next door)  
With the boy next door (Mhm)  
I'm in love, I'm in love, I'm in love with the boy next door

I can see you starin' through the window, yeah  
We should go ahead and skip the intro  
Cut the tension with a knife  
Now you want to take a bite  
Take it slow and see where things go  
Oh, I'm

I'm in love, I'm in love, I'm in love with the girl next door  
With the boy next door  
With the girl next door  
I'm in love, I'm in love, I'm in love with the boy next door  
With the girl next door  
Boy next door  
I'm in love, I'm in love, I'm in love with the girl next door
